Something for Everyone

The Community Hub for Local People

121 Abbotsbury Road, Weymouth DT4 0JX

The Waverley opens its doors as 2018 begins, with plans for a variety of new and exciting activities. The Waverley will offer groups, classes and events in three newly refurbished rooms; a Function Room, Arts and Craft Room and a Café.

The Function Room

Our Function Room is a great, open space ideal for wellbeing and exercise. We will be running dance, fitness and relaxation classes suitable for everyone. This room is also perfect for parties and we will be holding regular Karaoke nights and themed Discos, using our own brand new light and sound system. Weekly games nights will test your board games and bingo skills or you can relax with dinner and a film at our frequent movie nights.

The Arts and Craft Room

The creative centre of the Waverley, this room will feature opportunities for everyone to be inspired through art, craft, textiles and music.

The Waverley Café

The Waverley Café is a relaxed and friendly place to enjoy hot drinks, light meals and snacks. With a bright and airy main seating area and a cosy, welcoming snug, it offers the perfect place to sit with friends and chat.
